

The Anchor

A Monthly Unofficial Publication of the Board of Directors

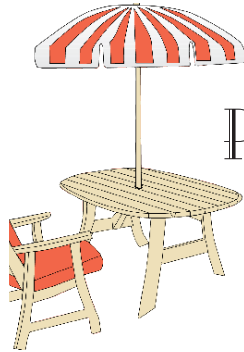

June 2021

**Just a
reminder...**

The 3rd quarter maintenance fee (\$100) is due on July 1st and will become delinquent on July 10th. You may mail your check to Anchorage Homeowners' Association to 1025 Anchorage Lane, Palm Harbor, FL 34685

POOL TIME

Now that more of us are using the pool and surrounding areas please remember these few things:

Return the chairs, tables, lounge chairs to their rightful places when you are finished using them and

Remember to close the umbrellas if you open them.

Since we don't have a cabana person (hahaha) to do these things for us let's make sure we keep the pool area wonderful for all of us to use!!!!

Communion for the Homebound

Any Anchorage Resident who is unable to get to church and would like to receive Holy Communion can contact Barbara Greenlee (727 786-3322)

I am a parishioner of All Saints Catholic Church and will make arrangements for you to receive communion.

Hosted by Rick and Lori Lyons.

You provide the dinner, We'll provide the movie! Twice a month we will be showing a movie at the clubhouse on our new "home theater". This month we are featuring the classic (and one of our favorites) "The Adventures of Robin Hood" starring Errol Flynn and Olivia DeHavilland. Our second feature, just in time for the 4th of July holiday: "Independence Day", which should really show off our new surround sound system! So grab your dinner and head to the clubhouse for what we hope will become a community favorite. Plan on eating around 6:00 with the movie starting at 6:30. Robin Hood is Wednesday, June 9th and Independence Day is Thursday June 24th. Sign up sheets are in the clubhouse!

Replacing your roof, painting the exterior of your home, replacing windows, widening the driveway

or changing the landscaping?

Our documents state that if you are making any of these changes to your home, you must submit an ARC Request Form. You can do this on the Internet (anchorage-hoa) or pick up the form at the clubhouse. Your co-operation is appreciated.

As you all know by now the majority of the clubhouse work is complete. I am still working on the electronics as well as some other finishing touches. I plan on having a "get to know your clubhouse" session on Thursday, June 17th at 6:30 pm. I will be showing anyone who wants to know, how to use all of the new electronics, including how to connect your bluetooth device to the different sound systems now available as well as running the new fireplace. We'll will be serving some light refreshments so it would be helpful if you signed up. There will be a sheet in the clubhouse as well as something posted on Facebook. I look forward to sharing more of our updated clubhouse with you on the 17th! Next up...watch for some new surprises around the pool area! -Rick Lyons
